About

KABU CLUB is a virtual club initiated by KABU WORLD for the like minded people to LEARN – EARN – GROW.

Every KABU CLUB Member will be getting various opportunities to network with people, get knowledge about the construction business through videos, books, events, etc. Being a member of this club every member is eligible for earning money without leaving their existing profession and without giving any dedicated time to the company and that would be by only providing referrals.

Every member can provide a referral to KABU through online link provided to them and just add their Membership number along with the referral details. Once there is any business between the referral provided with the company, every member will get the benefit of commission from the company directly in their account.

KABU CLUB will also provide additional benefits to the members through collaborators with the company along with free gifts, merchandise, free event tickets, and much more.
