# About

KABU KLUB is a name given to the reseller network build by KABU WORLD for the like minded people to LEARN – EARN – GROW.

Every KABU KLUB Member will be authorized reseller of all products and services of KABU WORLD. They will be getting various opportunity to network with people, get knowledge about the construction industry through videos, books, events, etc.

Being a member of this club every member is eligible for earning money without leaving their existing profession and without giving any dedicated time to the company and that would be by only providing leads and also an oppourtunity to trade with KABU Products and earn high margins on their investements.

KABU KLUB will also provide additional benefits to the members through collaborators with the company along with free gifts, merchandise, free event tickets, health and safety products, etc..

**Reference**

## **3% Flat Commission on every referral passed to KABU WORLD\***

### **Process of commission calculation and payout.**

(This commission would be received by member on successful conversion of their respective referral and after the payment is received from your referral on giving the business to KABU WORLD for any material sale only even during any application order also. 3% shall be calculated on 65% of MRP value. For eg: If the MRP is Rs. 100/- then commission will be  $100 \times 65\% = \text{Rs. } 65/-$  Now Rs.65/- is including 18% GST which is calculated as  $\text{Rs. } 65/- = 58.08$  base price + 9.92 GST. In this case commission will be calculated on Base price i.e. Rs. 58.08/-. (For your reference the easy calculation would be 1.65% of MRP Value of products sold.) All commission will be paid after applicable deductions as per Income Tax Act of India. All the commissions will be calculated on every 1st week of the month for the collection received in previous month. And the payment will be processed in 2nd or 3rd week of the month for previous month.
